

Who lives there?

Read the descriptions and guess who lives in each floor. Now make up a story for numbers 4, 6 and 11.

Stephen can see people's feet from his window. He studies at the university with the guy next door. Both spend many hours playing computer games. One of his professors also lives here.

Carmen is from Madrid. Her best friend is a waitress. They often go dancing at night with the guitarist living above the front door. She's afraid of the man next door.

Beth lives on the last floor. She shares her attic with a professor, Mrs. Ada. Her Chihuahua is always barking at night when it hears the music below. She is afraid of Luke.

This Argentinian man is called Mateo. He spends a lot of hours studying to be a doctor. The parrot living below him is really annoying!

Bruno is the only musician in the building. He is a cook assistant in a restaurant. There he works with his next door neighbour, Ajmi.

Lorna is Cuban. She loves her pet dog and listening to music. She lives above the other South-American neighbour. Two other women live on her floor.

Kate is a Swiss Primary teacher. She has a Cat but her neighbour below hates pets so she never visits her Japanese neighbour. She doesn't like the DJ living two floors below.

Ruby is a nurse from Paris. She cooks really well so she often invites her neighbours to have lunch. She talks in French with her next door neighbour.

Rick's flat hasn't got much light but he doesn't care. He's always in front of his computer screen. He's learning Spanish because he's mad about the girl living above.
