

# Food Idiom Board Game

# Food Idiom Board Game

## Instruction Sheet

Move around the board, taking it in turns. When a player lands on a picture, they say the idiom and explain its meaning. If the player is not able to recall the meaning, the other player can offer a choice of what the answer could be. For example, 'Butterfingers. Does that mean someone who drops things or someone who has sticky hands?'

## Answers

Idiom	Meaning
daddy's girl	
to have one's feet with a person or situation	
a piece of cake	something that is easy, simple
